General, Special and Annual General Meetings

CODE OF CONDUCT

1. Be respectful and considerate of other people's views
 - a. With such a wide ranging group, we expect to have different opinions and experience on most items and ask those present to respect the diversity and opinions of their fellow umpires by showing courtesy and actively listening.
2. All business is to be conducted in an orderly and polite manner
 - a. Any aggressive behaviour will not be tolerated, with all members asked to respect the agenda for the meeting and conduct their business in a respectful manner.
3. Be considerate of other people's time to share their thoughts
 - a. When discussing a point you've raised, keep your item relevant and timely to ensure all other members who wish to be heard will have sufficient time. Also be courteous to others who are speaking and allow them time to finish before speaking.
4. No consumption of alcohol during meetings
 - a. We strive to provide a friendly, warm and professional environment at all meetings, upon which alcohol consumption will not be permitted.
